

Wrap+® for Health Care Organizations Directors, Officers and Trustees Liability

Every day, newspapers are filled with articles about companies being sued over mergers and acquisitions, signs of financial weakness and conflicts of interest. Courts are overflowing with shareholders, competitors, customers and government entities making damaging claims against directors, officers and trustees – many times resulting in seven-figure verdicts against businesses, as well as directors, officers and trustees who thought they were in the right.

Health care organizations aren't immune to such lawsuits, so it's important to protect the organization's assets and the best interests of your management team. To do this, it's essential to establish an effective insurance plan, which may also help your organization attract and retain qualified board members. With management liability insurance through Travelers Wrap+ for Health Care Organizations, you can gain confidence and peace of mind that you have the support you need if a potentially damaging suit threatens to put your organization in a tailspin.

Not all health care directors, officers and trustees liability or employment practices liability policies are the same, and policy comparisons can be misleading. Do your own analysis. **Check and see how their policy stacks up...there is a difference!**
